Insulated Food Carrier
Product Guide

Designed and built for the rigorous demands of the Foodservice Industry, these Insulated Food Carriers (IFC) are ideal for transporting food and beverages

KEEP Your Hot Food, Hot – Your Cold Food, Cold!

No Seams. No Leaks. No Bacteria

Our antimicrobial liners are seamless, which means there are no holes that sauces or liquids can seep through to form mold and cause odors in the insulation.

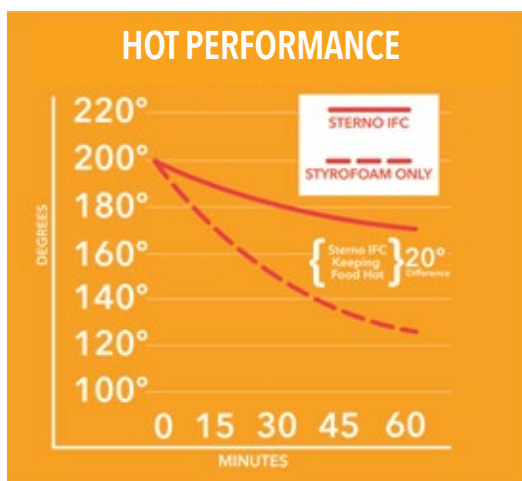

Easy Cleanup

If food or drinks spill, our seamless design contains the mess and allows it to be cleaned quickly and easily.

Super Tough

Superior Grade, tear resistant, long lasting vinyl liner holds up to the abuses seen in the industry – *and comes with a with 5 Year Leak-Proof Warranty*

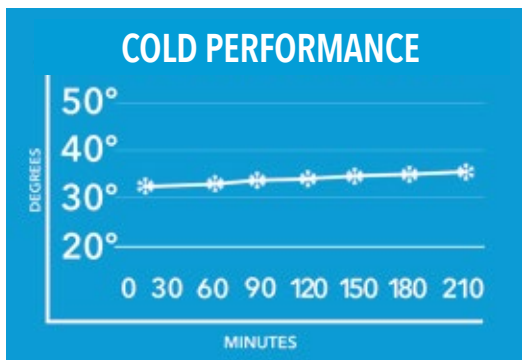

Dense Foam Insulation

Our multilayered insulation design protects from outside temperatures while maintaining the temperature inside the IFC.

Keeps Your Hot Food, HOT

We've tested our bags to ensure that heat retention is maximized and maintained throughout the entire delivery cycle.

Keeps Your Cold Food, COLD

The ability to maintain a cold temperature is as important as maintaining a hot temperature. Our bags do both equally well.

Product Line

Delivery Deluxe

When it comes to needing a superior product for food delivery, this line of IFC's is ideal. It comes with an easy open overlap lid for quick retrieval, side pockets for 2-liter soda bottles, and pocket window for order and delivery instructions.

This line of IFC's is a great fit for a basic food delivery option. It is our standard high quality IFC with a zipper lid and picnic basket carry strap.

Delivery

Catering

The Catering line is specifically designed for the off-site caterer that is looking to transport pre-prepared food, hot or cold, in standard size food pans.

For the stadium vendor, there is no better choice than our Stadium line. These comfortable to carry IFC's are tough and durable to hold up to the day-to-day abuse which makes them a great investment.

Stadium

All-Purpose & Pizza

These All-Purpose and Pizza IFC's are perfect for that restaurant that gets that large off-site order and needs a portable way to keep hot food hot.
